Authorized Body 204

empowered by the Decision of the COSMT No. 5/2017 of 31/1/2017
Branch Office 0700 - Ostrava

CERTIFICATE OF FACTORY PRODUCTION CONTROL

No. 204/C6/2023/070-063297

In compliance with the enactment of Article 6 of the Government Decree No. 163/2002 Coll., that lays down technical requirements for selected construction products, as amended by the Government Decree No. 312/2005 Coll. and 215/2016 Coll., it is confirmed, that in case of the construction product

RAILOG aluminum all-glass balustrade

is intended for the production of metal or combined protective railings in buildings of ground structures, (delivered to the building site in the form of parts)

manufacturer:

SCHNEIDER construction s.r.o.

I No: 27790991
address: Průmyslová 957/5, 74723 Bolatice
plant: Bolatice
order: Z070230093

the Authorized Body has performed the initial inspection of manufacturing plant, assessed the factory production control, that meets relevant technical documents according to Article 6 Clause 1d) of the above mentioned Government Decree and has stated, that

- the factory production control ensures that products put on the market meet the requirements given in National Technical Approval (NTA):

NTA No. 070-063295 of 13/07/2023 issued by the Authorized Body 204 with validity up to 31/07/2026

and comply with relevant technical documentation according to Article 4 Clause 3 and with a document issued according to Article 6 Clause 1a) concerning the initial type-testing.

The Factory Production Control Assessment Report No. 070-063296 of 14/07/2023 containing conclusion of findings and a product description is to be considered as an integral part of this certificate.

This certificate was first issued on July 17, 2023 and remains valid as long as the requirements given in the National Technical Approval referred to hereinabove or the manufacturing conditions in the factory or the factory production control itself are not modified significantly, unless suspended or withdrawn by the Authorized Body.

The Authorized Body performs at least once a 12 months the surveillance of proper function of the factory production control. The Authorized Body shall issue a report on the evaluation of surveillance and forwards it to the manufacturer.

The person taking overall responsibility for this certificate:

The stamp of the Authorized Body 204

Ostrava, July 17, 2023

Ing. Vojtěch Šebek
Deputy Manager of the Authorized Body 204
